TRIP ITINERARY
A passion for travel. Simply put, we love to travel, and that infectious spirit is woven into every one of our journeys. Our staff travels the globe searching out hidden-gem inns and lodges, taste testing bistros, trattorias, and noodle stalls, and discovering the trails and plying the waterways of each remarkable destination. When we come home, we separate wheat from chaff, creating memorable adventures that will connect you with the very best qualities of each destination.

Unique, award-winning itineraries. Our flexible, hand-crafted journeys have received accolades from the world’s most revered travel publications. Beginning from our appreciation for the world’s most breathtaking and interesting destinations, we infuse our journeys with the elements of adventure and exploration that stimulate our souls and enliven our minds. Whether you are looking for a challenging physical expedition or a leisurely cultural exploration, Boundless Journeys has exceptional itineraries to match your sense of adventure.

Insider connections. There is simply no substitute for traveling with a knowledgeable insider, and our expert local guides will open doors for you that other travelers miss, like dinner with their extended family in Peru’s Sacred Valley, or meeting an art scholar in Florence. Relationships developed over many years allow you to experience our destinations through a well-connected friend.

Small groups. Although the camaraderie of a group of like-minded travelers often enhances the journey, there can be too much of a good thing! We tread softly, and our average group size is just 8–10 guests, allowing us access to opportunities that would be unthinkable with a larger group.

Flexibility to suit your travel style. We offer both scheduled, small-group departures and custom journeys so that you can choose which works best for you. Not finding exactly what you are looking for? Let us customize a journey to fulfill your travel dreams.

Customer service that goes the extra mile. Having trouble finding flights that work for you? Want to surprise your traveling companion with a bottle of champagne at a tented camp in the Serengeti to celebrate an important milestone? There is no request that is too big—or too small—for our staff to handle. From your first call, we guide you through choosing your trip, provide advice on preparing for your adventure, and hold your hand until you return home.

Thank you for your interest in this fantastic journey to Iceland to see the Northern Lights. We have hand-crafted this tour from our own experience and hope you fall in love with the area—as we have!

THE INSPIRATION FOR THIS JOURNEY

The Northern Lights are a truly magnificent gift of nature. Observing their extraordinary colors dancing across the arctic sky is an unforgettable experience—and Iceland is one of the best places in the world to see them.

Our adventure begins as we set out away from the city in search of clear night skies and dancing lights. Our destination is the small fishing town of Stokkseyri, where we are welcomed with a seafood feast. The following day we are introduced to Icelandic culture, with a tasting tour of Reykjavik. From the captivating Harpa Concert Hall, to art galleries in colorful neighborhoods, and fishing boats on the harbor, this is the perfect introduction to this creative and pulsating city.

We spend the next four days immersed in mother nature’s elements as we explore the beautiful countryside of Iceland. Testaments to the constantly evolving earth are everywhere—hot rivers, snowy peaks, and majestic waterfalls dominate our views. We traverse glaciers on foot and by snowmobile, and ford rivers in a super jeep. As the winter sun retreats each day, we seek out the spectacular Northern Lights, as they paint dramatic shapes, colors, and patterns on the night sky. Rejuvenating soaks in thermal baths and charming accommodations round out this exciting adventure.

HIGHLIGHTS

• Savoring an unforgettable langoustine lobster feast and sampling traditional cuisine while touring the capital city of Reykjavik.
• Exploring the unique landscape on foot, snowmobile, and jeep excursion to get up-close to immense waterfalls and steaming geysers—even walk on a glacier!
• Experiencing the Icelandic way of life at thermal baths (including the Blue Lagoon) greenhouses, viking sites, and by visiting Icelandic horses.
• Seek out the majestic Northern Lights each evening, as they paint dramatic shapes, colors, and patterns on the night sky.

TRIP RATING
Boundless Journeys trips are designed for energetic and flexible individuals who like to be active and have a spirit of adventure and a positive attitude. Iceland: Northern Lights Adventure is rated 2, easy to moderate, on a scale of 1-5 (with 5 being the most strenuous). The terrain we cover is incredibly varied. We'll enjoy some gentle hikes, glacier hiking, and snowmobiling. Please be aware that hikes and/or activities may be changed last-minute due to weather conditions, which are highly unpredictable in Iceland.

PREPARING FOR THIS TRIP
It is very important that you realistically assess your physical condition with regard to the demands of this trip. The more well-prepared you are for the activities, the more you will enjoy yourself. As a general guideline, we suggest that you engage in easy to moderate aerobic activities (such as walking, hiking, jogging, or cycling) for at least 30-45 minutes several times a week for 4-6 weeks before the trip. If you live in a flat area, try to incorporate some stairs into your workout, or use a treadmill with varying incline capability (consult your doctor before undertaking any new fitness program). Please contact us if you have any doubts regarding your physical match with this tour.

THE GLACIER WALK
A half-day glacier walk is included, weather permitting. All necessary equipment is provided, including crampons and ice axes. Boots are available for rental, although your hiking boots should suffice. The Icelandic mountain guides we hike with are experienced mountaineers with a great deal of knowledge about glaciers and safety procedures. After being fitted with gear and a safety briefing, we head onto the ice itself for a unique perspective on the importance and beauty of glaciers. If the weather makes this adventure unsafe, a traditional hike will be offered instead.

SNOWMOBILING
With thousands of acres of year-round snow, Iceland is well suited for snowmobiling. On Day 3, we will embark on a snowmobile adventure. Please note that the snowmobiling activity is priced for double use. Please let us know in advance if you prefer a single snowmobile at an additional fee of $95. Helmets, waterproof coveralls, balaclavas, gloves, and boot covers are available for use.

NORTHERN LIGHTS VIEWING
It is important to see the Northern Lights as just one of many thrills of a winter trip to Iceland. Immense glaciers, snowy peaks, majestic waterfalls, relaxing thermal baths, fewer crowds, and the vibrant city of Reykjavik, are reasons enough to go. With luck you will also see the sky ablaze with dancing lights, but this can never be guaranteed. The Northern Lights are only visible when the sky is clear and free of clouds. And, like many natural wonders, they are ephemeral—appearing for a bit, and then disappearing.

The unique colors of the Northern Lights are created by the Earth’s spectra of gases and the height in the atmosphere where the collision of particles from the sun and the Earth’s gases takes place. Our naked eye can most easily see the green-yellow part of the spectrum where the sun emits most of its light. Green is the most common color observed but the Northern Lights can also appear white-gray.

Please be prepared to wait outside while looking for aurora. It is best to dress warmly, in layers, with good footwear, gloves, hats and whatever else will make you comfortable while you patiently await the possibility of a truly outstanding light show.
DRIVING DISTANCES
Although Iceland is a relatively small country, the distances from one place to another are sometimes long, due to actual miles covered or, in some cases, the conditions of the road. We have tried to balance experiencing certain unique places with time out of the vehicle to explore and immerse ourselves in diverse landscapes. On a couple of days, driving times may total 4-5 hours, but rest assured that they are broken up and that both the drives and the destinations are well worth the effort.

WEATHER
Thanks to warming Gulf Stream winds, Iceland enjoys a much warmer climate than it should given its northerly location (and its name). Weather in Iceland can change quite suddenly, so it is a good idea to always dress in layers.

TRAVELER’S RESPONSIBILITY
Trip participants have certain responsibilities to both Boundless Journeys and your fellow travelers. This includes understanding the conditions described in the trip itinerary and making sure it is appropriate for your interests and abilities, based on a review of the trip ratings, consultation with Boundless Journeys staff, and perhaps your doctor. In addition, trip participants are responsible for preparing for a trip by undertaking the proper fitness training. At the guide’s discretion, a participant may be asked to leave the trip if the guide feels that the person’s further participation may be detrimental to the individual or to other trip participants. If you have any questions about the difficulty level of the trip you have chosen, please contact Boundless Journeys to speak with one of our Destination Managers.

SMALL GROUP TRAVEL
Small group travel affords us the opportunity to seek out the most remote and exotic destinations on the planet. Often we are exploring these locales with just 8-12 guests. The nature of active group travel is such that not all participants have the same ability level or interests. Traveling at a pace that is comfortable for the entire group, with a spirit of flexibility and adventure, are all part of this shared experience.

DRINKS WITH MEALS
At Boundless Journeys we believe group dinners are a time to celebrate our day, while enjoying the best of local cuisine, and good company. In keeping with this spirit, we typically include local beer and wine with group dinners. If you prefer premium wine, or liquor, please feel free to order what you like, and you may settle your tab at the end of the meal.

DRINKING WATER
We provide purified or bottled water on all trips; however, in an effort to reduce waste, we strongly encourage you to bring a water bottle to refill where safe to do so, as is the case in Iceland. This is just one small way we strive to travel more responsibly, and we appreciate your efforts in helping us to protect the extraordinary places we visit.

Boundless Journeys has taken the Travelers Against Plastic company pledge to promote sustainable travel. You can take the pledge, too, and learn more about TAP’s efforts at www.travelersagainstplastic.org.

CUISINE
Menus in Iceland generally feature a choice of meat (often lamb) and fresh fish (commonly salmon and trout). Some menus are more extensive. Icelandic cuisine has come a long way, and many chefs train in mainland Europe before bringing their skills home to create innovative dishes using native ingredients. It is common even for small hotels to offer meals buffet-style, as this allows travelers to try traditional local dishes alongside more familiar fare. Please inform us of any specific dietary restrictions and we will do our best to accommodate you. Please call our office with any questions or concerns about our ability to meet your needs.

OUR GUIDES
With a Boundless Journeys guide, your experience is that of friend and local adventurer. We believe strongly in working with local guides, experts in the areas to which we travel, and they hold the keys to unlocking the hidden delights of your chosen destination. Although you will never know they are at work—the mark of a truly great leader—our guides make magical things happen and add a dimension to your trip that you could not experience on your own. Over the years we have forged bonds with some of the best guides in the world, and we typically work with a small team of guides in each region. You will be informed of the guide for your trip one month prior to your departure.

RESponsible TRAVEL
At Boundless Journeys, our goal is to create meaningful experiences that protect the delicate ecosystems and attributes of every location we visit. We aim to educate our guests on the best responsible travel practices for each destination.

WE ARE COMMITTED TO
Making connections. Our local guides offer insider knowledge of their country, including tips on etiquette and customs. They facilitate meaningful interactions with the people and places we visit, such as dinner at the home of a local family. While you may arrive in a destination as a visitor, you leave with a deeper understanding and connection to each place.

Going local. Boundless Journeys’ small group size stems from a desire to provide a more intimate traveler experience, giving us the freedom to move through the tight alleys of old towns on foot, eat and sleep at traditional guesthouses, participate in immersive cultural exchanges, and leave a smaller footprint on all of the locales we visit. This mobility allows us to support local economies directly, forging strong relationships with our partners and friends abroad as we return year after year.

Respecting people and the environment. We support organizations working to protect ecosystems and improve the livelihoods of local communities. On many of our trips, we explore stunning natural landscapes where conservation is of the utmost importance. As visitors, we practice Leave No Trace ethics and actively contribute to the conservation of parks and protected areas.

HOW YOU CAN HELP
Give back. Instead of receiving a Boundless Journeys t-shirt or water bottle, you can opt to donate the value of your gift to our travel scholarship fund, which will be awarded to a local student for an educational or service-based travel opportunity.

Learn more. Visit boundlessjourneys.com/responsible-travel to read more about how our values are reflected in our trip offerings. We also offer a selection of Resources for the Responsible Traveler, which suggests ways to tread lightly and ensure your journey has a positive impact.

Join us. Boundless Journeys has taken the Travelers Against Plastic company pledge to promote sustainable travel and encourage travelers to avoid buying bottled water when they travel. You can take the pledge at travelersagainstplastic.org.

CONSERVATION IN ACTION
Boundless Journeys is a proud member of the Adventure Travel and Trade Association, a global network of adventure seekers who believe in the protection and promotion of local communities and wilderness areas.
