How we deliver

THE WORLD’S GREAT ADVENTURES

A passion for travel. Simply put, we love to travel, and that infectious spirit is woven into every one of our journeys. Our staff travels the globe searching out hidden-gem inns and lodges, taste testing bistros, trattorias, and noodle stalls, and discovering the trails and plying the waterways of each remarkable destination. When we come home, we separate wheat from chaff, creating memorable adventures that will connect you with the very best qualities of each destination.

Unique, award-winning itineraries. Our flexible, hand-crafted journeys have received accolades from the world’s most revered travel publications. Beginning from our appreciation for the world’s most breathtaking and interesting destinations, we infuse our journeys with the elements of adventure and exploration that stimulate our souls and enliven our minds. Whether you are looking for a challenging physical expedition or a leisurely cultural exploration, Boundless Journeys has exceptional itineraries to match your sense of adventure.

Insider connections. There is simply no substitute for traveling with a knowledgeable insider, and our expert local guides will open doors for you that other travelers miss, like dinner with their extended family in Peru’s Sacred Valley, or meeting an art scholar in Florence. Relationships developed over many years allow you to experience our destinations through a well-connected friend.

Small groups. Although the camaraderie of a group of like-minded travelers often enhances the journey, there can be too much of a good thing! We tread softly, and our average group size is just 8–10 guests, allowing us access to opportunities that would be unthinkable with a larger group.

Flexibility to suit your travel style. We offer both scheduled, small-group departures and custom journeys so that you can choose which works best for you. Not finding exactly what you are looking for? Let us customize a journey to fulfill your travel dreams.

Customer service that goes the extra mile. Having trouble finding flights that work for you? Want to surprise your traveling companion with a bottle of champagne at a tented camp in the Serengeti to celebrate an important milestone? There is no request that is too big—or too small—for our staff to handle. From your first call, we guide you through choosing your trip, provide advice on preparing for your adventure, and hold your hand until you return home.

Multi-year recipient of Travel + Leisure magazine’s “World’s Best Tour Operator”; and recognized by the editors of National Geographic ADVENTURE magazine as one of the Best Adventure Travel Companies on Earth.
Thank you for joining us on this fantastic journey to Portugal. We have handcrafted this tour from our own experience and hope you fall in love with the area—as we have!

THE INSPIRATION FOR THIS JOURNEY
Although it’s roughly the size of the state of Maine, for those travelers lucky enough to experience it, Portugal is a world unto itself. Throughout the centuries, a host of conquerors, from the Visigoths and Romans to the Moors and Christians, have all left their mark on this fabled land and are still visible today in the country’s vibrant food and wine scenes, music, art, and architecture.

With nearly 500 miles of coastline, the sea is central to Portuguese life and never too far away from our route—whether walking coastal hiking paths, sitting down to a bowl of steaming seafood stew, or learning about Portugal’s golden age of ship building, when explorers forged an empire that spanned—quite literally—around the globe.

Our week-long journey in Portugal takes us to the mountains of Serra da Estrela Natural Park, the terraced green hillsides and velvety wines of the Douro Valley, Moorish citadels, ancient stone villages, and romantic palace hotels. In short, it’s a chance to experience the fabric of this still-undiscovered European gem and the history, people, and landscapes that have come to define it.

HIGHLIGHTS
• Exploring the Douro Valley on foot and by riverboat.
• Hiking through wine country, pristine mountain landscapes, and along coastal paths.
• Walking tours in the towns of Porto, Provesende, Pinhão and more.
• Discovering UNESCO World Heritage Sites in Porto, Douro and the University of Coimbra.

DAY 1: Porto to the Douro Valley

Activity Overview: Walking on pedestrian streets
Activity Level: Easy
Activity Length: About 3 hours, approximately 4-5 miles

After an early breakfast this morning we’ll begin our 3-4 hour walking tour in downtown Porto. Portugal’s second-largest city gave its name to the country’s most well-known wine export and served as the center of its ship building industry during the 14th and 15th centuries. Today’s walk will explore Porto’s narrow streets and ancient buildings from its historical center, classified as a UNESCO World Heritage Site. Along the way, we’ll learn about the first Portuguese kings and the town’s centuries-long rule by local Bishops.

At mid-morning, we will reach the Ribeira district, facing the Douro River. The traditional Rabelo cargo boats anchored along the river tell the story of port wine, which has been transported by these vessels for centuries. Across the river, we’ll climb to the circular-shaped church and cloisters of the 15th century Serra do Pilar monastery for memorable views of Porto’s downtown area.

After lunch, we transfer from Porto to the enchanting Douro Valley, our base for the next two evenings. Along the way, we’ll stop at Peso da Regua for a visit to the Douro Museum and an introduction to the valley and its tradition of wine making. This evening, we’ll retire to our tranquil hotel on the Quinta do Portal family vineyard.

Accommodation: Casa das Pipas, Sabrosa
Meals:  L, D

DAY 2: Provesende to Pinhão

Activity Overview: Walking
Activity Level: Easy to moderate; approximately 500’ ascent and 1500’ descent
Activity Length: About 3 hours, approximately 4.5 miles

The charming Moorish village of Provesende is our destination this morning. With its quiet streets and well-preserved homes and historical sites, it is best to see the town on foot. Highlights this morning include Provesende’s 16th century public prisoner’s pillory; its ornately decorated Baroque church and fountain dating from the 1700s; and an array of beautiful manor houses, attesting to the economic strength of the Douro Valley in centuries past.

After our exploration of Provesende, we’ll begin our descent through terraced grape hillsides toward our next stop, the pretty little town of Pinhão. Our route zigzags down the valley, past the rivers Pinhão and Douro, whose bends appear and disappear along the way. With any luck, we might have the opportunity to chat with local grape farmers at work tending their fields.

By lunchtime, we’ll arrive in Pinhão to enjoy a picnic-style meal at a traditional quinta (wine estate). After lunch, we’ll head to the shores of the Douro River to board a traditional Rabelo boat for an afternoon cruise (1-2 hours) where we’ll be treated to views of the fertile green valley and surrounding wine estates.

After our cruise, we’ll return to our own estate: Quinta do Portal, for a visit and wine tasting at the award-winning cellar designed by the famous Portuguese architect, Álvaro Siza Vieira.
Tonight, we’ll head back to Provesende and the home Maria da Graça’s grandmother for a special treat: a traditional Transmontano dinner cooked for us with fresh local ingredients. Located near the border with Spain, Portugal’s mountainous northern Transmontano region is known for its sheep-herding culture and fortified medieval castles, which once served as the first line of defense against invading Spanish and French armies. After dinner, we’ll return to our boutique vineyard hotel for the evening.

Accommodation: Casa das Pipas, Sabrosa  
Meals: B, L, D

**DAY 3: Serra da Estrela Natural Park**

**Activity Overview:** Hiking and walking  
**Activity Level:** Easy to moderate; approximately 600’ ascent and descent  
**Activity Length:** About 3 hours, approximately 3.2 miles

This morning we’ll drive into the heart of the Douro Valley and the Quinta Nova de Nossa Senhora do Carmo winery for a morning hike in a landscape *The Telegraph* once deemed, “Some of the most beautiful scenery in the country [of Portugal].”

With a history spanning more than 250 years, Quinta Nova was founded on land belonging to the Portuguese Royal House and has been owned by the Amorim family since 1999. Each year, the winery produces more than 3,500 barrels of wine.

We depart from the winery on a three-mile walk along dirt paths offering breathtaking views of the Douro River and the sunny valley’s terraced hills and low-laying clouds. We’ll refuel with a delicious picnic lunch, complimented by wines produced in these beautiful surroundings.

This afternoon, we continue southwards, in the direction of Serra da Estrela Natural Park. Set at an elevation of 6,500 feet, Serra da Estrela is Portugal’s highest inland mountain, first national park, and houses the only ski resort in the country. The park’s geographic isolation coupled with its diverse glacial valleys, lagoons, and sprawling meadows have resulted in a diversity of flora and fauna, offering the opportunity to spot everything from bellflowers, heather, and rosemary plants to golden eagles, wolves, otters, and foxes.

Tonight, we’ll check into our four-star design hotel and enjoy dinner at the property’s elegant gourmet restaurant.  

Accommodation: Penhas Douradas, Serra da Estrela Natural Park  
Meals: B, L, D

---

**DAY 4: Penhas Douradas**

**Activity Overview:** Hiking  
**Activity Level:** Easy to moderate; approximately 700’ ascent and descent  
**Activity Length:** 4-5 hours, 5 miles

This morning after breakfast, our hike departs from the hotel, crossing a distinct series of landscapes that comprise the Vale do Rocim. If the day is clear, we’ll be treated to views of the majestic Manteigas glacial valley stretching out before us. Later, we will break to enjoy a picnic lunch at an overlook point along the Vale do Rocim dam.
Our highlight today, the Penhas Douradas, is a vast plateau topping out at almost 5,000 feet. The name of the place—which literally translates to 'the gold-colored boulders'—comes from the gigantic, chaotic piles of granite strewn along the valley floor. During the 19th century, Penhas Douradas earned a reputation as a center of healing for those suffering from tuberculosis thanks to its crisp, pure air and cool, year-round temperatures. The plateau has been used by shepherds throughout the centuries and, more recently, has been embraced as a hub for outdoor enthusiasts from Portugal and beyond.

This afternoon is yours to enjoy at your leisure, with the option to return to our stylish boutique hotel or to pay a visit to the Burel Factory. This local arts project was created to preserve the traditional textile production method known as Burel, a type of felt worn by the region's shepherds.

After the visit, we'll return to Penhas Douradas for dinner and a final night in our scenic mountain hideaway.

Accommodation: Penhas Douradas, Serra da Estrela Natural Park
Meals: B, L, D

**DAY 5: Bussaco National Forest**

Activity Overview: Hiking
Activity Level: Easy to moderate; approximately 700’ ascent and descent
Activity Length: 3-4 hours, 3.5 miles

After breakfast this morning, we'll bid Penhas Douradas farewell and depart for a two-hour transfer (58 miles) west. Along the way, we'll pass through the lovely spa town of Luso, whose mountain spring waters have been hailed for their healing properties since the 18th century.

Our hike today will take place in the Bussaco National Forest, a dense, walled wood that was settled by the Discalced Carmelites—an order of barefooted monks—in 1628. The monks built a wall around the forest and populated it with nearly 400 types of Portuguese trees, shrubs, and flowers and 300 more varieties imported from as far away as Mexico and Japan.

Bussaco is also intimately connected with Portuguese history as the place where 66,000 French troops were defeated by Anglo-Portuguese forces during the Napoleonic invasion of Portugal in 1810. During our hike, we'll learn about the forest's rich history and famed architecture, including the Fonte Fria cascading water stairway and the famous Porta de Coimbra gates.

After our walk, we'll make our way back for dinner at the tapas restaurant in the Sapientia Hotel, our home in Coimbra for the next two nights.

Accommodation: Sapientia Hotel, Coimbra
Meals: B, L, D

**DAY 6: The Schist Villages and Coimbra**

Activity Overview: Hiking and walking
Activity Level: Moderate; approximately 1000’ ascent and 1000’ descent
Activity Length: 3-5 hours, 4 miles

After an early breakfast at our hotel, we'll take a short transfer to the town of Lousã for our last hike in central Portugal. The trails here are well known to adventure
seekers and particularly well-maintained, and our route today follows a path connecting the Castle of Lousã with the region’s ancient Schist villages.

Rising majestically from the mountain slopes, the more than two-dozen Schist villages (named for the weatherproof local stone they are constructed from) are one of the country’s best-kept secrets. Here, traditional Portuguese village life is on display, appearing much the same way it has during centuries past. Fresh bread bakes in rustic community ovens, linen is woven on wooden cottage looms, and religious festivals are celebrated in the villages’ narrow, winding streets. Our stops today will include Casal Novo and Talasnal, where we’ll learn about the preservation efforts being made to restore local cottages using traditional building techniques.

This afternoon, we’ll head to the University of Coimbra and its UNESCO World Heritage Sites, including the 16th-century St. Michael’s Chapel with its transporting ceiling painted by Francisco F. de Araújo, baroque organ, and intricately tiled floors. Other highlights include the Noble Room and the famous 18th-century Joanina Library, constructed during the reign of Portugal’s King John V, which shelters more than 200,000 volumes.

Our day ends after our walk, and you are free enjoy dinner and explore Coimbra on your own, or perhaps return to rest and relax in our boutique hotel.

Accommodations: Sapientia Hotel, Coimbra
Meals: B, L

---

**DAY 7: Citadel of Óbidos to Lisbon**

**Activity Overview:** Hiking and walking  
**Activity Level:** Easy; approximately 400’ ascent and 300’ descent  
**Activity Length:** 2-3 hours, 4.3 miles

Portugal’s Moorish past is at the heart of our explorations today and after an early breakfast, we’ll head in the direction of the Citadel of Óbidos. This medieval castle has been occupied by the Romans, Lusitanos and Visigoths over the millennia, but its most important fortifications occurred during the 8th century, when it was settled by the Moors. This morning, we’ll stretch our legs along the citadel, which flourishes today as a kind of literary village. Along the way, we’ll visit one of Óbidos’ most emblematic sites: the Santiago Bookshop, housed in a 13th century temple.

Early this afternoon, we’ll prepare for our scenic coastal hike from the Porto Novo beach to Santa Cruz, a favorite local surf spot. Vast skies, turquoise seas, and dramatic rock structures characterize this route, which takes in some of Portugal’s most picturesque beach scenery.

By mid-afternoon, we’ll depart for the capital city of Lisbon, where a special treat awaits us at one of the city’s exquisite Fado restaurants. The mournful guitar tradition of Fado is central to Portuguese culture and our farewell dinner will include a haunting performance by one of Lisbon’s celebrated musical artists. Tonight, we’ll raise our glass to Portugal and the memories we’ve made in this diverse and romantic land.

Accommodations: Heritage Lisbon Hotel, Lisbon  
Meals: B, L, D
DAY 8: Departure or Optional Extension

Today after breakfast, you are free to arrange transportation to the airport or other destinations in Portugal. For those who prefer to extend their journey, an optional post-tour day of on-foot exploration is available in Lisbon, as well as a 5-day trip extension to the Azores (at additional cost).

The Lisbon city tour will focus on the city’s dynamic Alfama, Mouraria and up-and-coming Chiado neighborhoods, delving into Lisbon’s history and its golden age during the 15th and 16th centuries. More details can be found on page 17.

The Azores Island Extension will begin the day after the Portugal: Porto, the Douro Valley & Lisbon Hiking tour concludes, on the island of São Miguel. More details can be found on page 12.

If you are interested in either of these options, or an additional night in Lisbon, please speak with your Boundless Journeys representative to make arrangements.

TRIP RATING
Boundless Journeys’ trips are designed for energetic and flexible individuals who like to be active and have a spirit of adventure and a positive attitude. **Portugal: Porto, the Douro Valley & Lisbon Hiking** is rated 2+, easy to moderate, on a scale of 1-5 (with 5 being the most strenuous). Portugal’s fertile landscapes, rolling hills, and coastal paths offer elevations ranging from sea level to 5,000 feet. Our walks and hikes range from 1 to 5 hours (3 to 7 miles), on trails, with some rocky and steep sections, and paved city streets. Elevation changes range from negligible amounts on our city walks, to an approximate 1000’ ascent and 1500’ descent on our most challenging days.

PREPARING FOR THIS TRIP
It is very important that you realistically assess your physical condition with regard to the demands of this trip. The more well-prepared you are for the activities, the more you will enjoy yourself. As a general guideline, we suggest that you engage in easy to moderate aerobic activities (such as walking, hiking, jogging, or cycling) for at least 30-45 minutes several times a week for 4-6 weeks before the trip. If you live in a flat area, try to incorporate some stairs into your workout, or use a treadmill with varying incline capability (consult your doctor before undertaking any new fitness program). Please contact us if you have any doubts regarding your physical match with this tour.

WEATHER
Portugal has a warm, temperate climate with weather similar to that of Spain’s coastal towns. Summers are hot, though refreshing sea breezes can help to mitigate the temperature. Winters are short and mild, with lots of rain and freezing temperatures at higher elevations. The weather in late spring and early fall is usually very pleasant, with daytime temperatures that range from low 60s to upper 70s, and slightly cooler at night. While these months are not in Portugal’s “rainy season” there can be cool breezes or showers at any time. Please come prepared to walk in rain or shine. We will do daily activities as planned, unless weather conditions make it dangerous to do so.

WHEN TO GO
Portugal has a pleasant, sunny climate during the spring and fall, which avoids both the hot summer months and peak tourist season. Wildflowers are in bloom during the spring season, which also sees its fair share of lively local festivals. Mountainous areas can be cool year-round, especially in the evening.

TRAVELER’S RESPONSIBILITY
Trip participants have certain responsibilities to both Boundless Journeys and their fellow travelers. This includes understanding the conditions described in the trip itinerary and making sure it is appropriate for your interests and abilities, based on a review of the trip ratings, consultation with Boundless Journeys’ staff, and perhaps your doctor. In addition, trip participants are responsible for preparing for a trip by undertaking the proper fitness training. At the guide’s
discretion, a participant may be asked to leave the trip if the
guide feels that the person’s further participation may be
detrimental to the individual or to other trip participants. If
you have any questions about the difficulty level of the trip
you have chosen, please contact Boundless Journeys to
speak with one of our Destination Managers.

SMALL GROUP TRAVEL
Small group travel affords us the opportunity to seek out the
most remote and exotic destinations on the planet. Often we
are exploring these locales with just 8-12 guests. The nature
of active group travel is such that not all participants have
the same ability level or interests. Traveling at a pace that
is comfortable for the entire group, with a spirit of flexibility
and adventure, are all part of this intimate experience.

DRINKS WITH MEALS
At Boundless Journeys we believe group dinners are a time
to celebrate our day, while enjoying the best of local cuisine,
and good company. In keeping with this spirit, we typically
include local beer and wine with group dinners. If you prefer
premium wine, or liquor, please feel free to order what you
like, and you may settle your tab at the end of the meal.

DRINKING WATER
We provide purified or bottled water on all trips; however,
in an effort to reduce waste, we strongly encourage you
to bring a water bottle to refill where safe to do so. This
will be the case in much of Europe, as well as a few other
destinations, where tap water is safe to drink (please review
Immunizations & Health Concerns for more information).
In parts of the world where water must be purified, bottled
water may be our only option. Here, we do our best to
provide purified water from larger containers to refill your
bottles, rather than using many small single-use bottles
throughout your trip. This is just one small way we strive to
travel more responsibly and we appreciate your efforts in
helping us to protect the extraordinary places we visit.

Boundless Journeys has taken the Travelers Against
Plastic company pledge to promote sustainable travel and
encourage travelers to avoid buying bottled water when
they travel. You can take the pledge, too, and learn more
about TAP’s efforts at www.travelersagainstplastic.org.

CUISINE
Portuguese cuisine is all about simple, delicious cooking
and fresh ingredients, themes that are present across
all geographic regions of the country. The Portuguese
are very proud of their gastronomic traditions, which in
recent decades, have seen renewed acclaim thanks to the
country’s talented young chefs, who have returned home to
live and work at top hotels and restaurants.

In general, Portugal’s expansive, fertile countryside and
sweping coastline mean that grilled seafood, smoked
meats, sun-ripened fruit, and other fresh produce are
commonplace. Portugal consumes more rice (arroz) than
any other European nation, and its lesser-known savory
dishes fall somewhere between a Spanish paella and
Italian risotto. Fish is a staple, and you’re likely to find
everything from cod and cuttlefish to tuna and grilled sea
bass—prepared simply with lemon, garlic, and the country’s
famed olive oil—on most menus.

You’ll also see plenty of stews and soups, including alcatra,
a traditional beef stew with warm spices; and caldo verde, a
vegetable soup made with spicy chouriço sausage. Cheese
aficionados will find much to satisfy, including amerlo da
Beira Baixa, a mixed goat and sheep’s milk cheese, and
Serra de Estrela, made from sheep raised at mountainous
altitudes. For dessert, traditional favorites such as egg tarts
(pastel de nata) and Madeira honey cake (Bolo de mel
da Madeira) can be found at most pastry shops. Finally,
Portugal’s centuries-old wine culture is pervasive across
all facets of its gastronomy, from the velvety ports of the
Duoro Valley to the slightly effervescent vinho verde of the
north and Pico Island’s rare, World Heritage vineyards in
the Azores.

Vegetarians can easily be accommodated. Please inform
us of specific dietary restrictions by completing your Guest
Questionnaire.

TRANSPORTATION
All on-tour transportation is provided in private, air-
conditioned, passenger vans.
OUR GUIDES

With a Boundless Journeys guide, your experience is that of friend and local adventurer. We believe strongly in working with local guides, experts in the areas to which we travel, and they hold the keys to unlocking the hidden delights of your chosen destination. Although you will never know they are at work—the mark of a truly great leader—our guides make magical things happen and add a dimension to your trip that you could not experience on your own.

Over the years we have forged bonds with some of the best guides in the world, and we typically work with a small team of guides in each region. You will be informed of the guide for your trip one month prior to your departure. Here are some of the guides we work with in Portugal.

ARTUR PEGAS
Artur was born in Vendas Novas and has a degree in Agricultural Engineering from the University of Évora. He also earned his M.A. in Statistics and Information Management from the Universidade Nova de Lisboa. Artur enjoys swimming, running, trekking, adventure trips and travel photography. He has walked through half the world, and would like to share some highlights: Patagonia fascinated him with its beauty; New Zealand, where he walked from north to south, showed him a sketch of heaven; in Nepal, he embraced spirituality and peace and was delighted with its grace; Mongolia crashed him with its wilderness and forever altered his sense of space; in Ecuador and Yemen he fell in love with the people and the landscapes, and in Peru with the archaeological richness. He says the best trip of his life will always be the next one. He also can’t resist a cheese pie!

CARLA HENRIQUES
Carla followed the normal path of the “travel junkies.” Her first travels were around Portugal, as a child with her parents. Later, with friends she grew to love the outdoors and traveled around Europe. Carla attended the Universidade Nova de Lisboa and earned a degree in Environmental Engineering. During this time she became an avid kayaker and hiker. As the years passed, she found that her job as an engineer wasn’t fulfilling her desire to travel, explore the world, and share her passion for the outdoors. In 2013 she quit her job and bought a one-way ticket to Kathmandu. She spent two years exploring Asia before returning to her home country of Portugal as a guide.

RESPONSIBLE TRAVEL
At Boundless Journeys we are committed to exploring the world in a responsible way and continually seek ways to tread lightly across the unique landscapes and diverse cultures on this planet. Here are just some of the ways we aim to travel responsibly:

MAKING CONNECTIONS
On some of our trips, our guests have the opportunity to visit organizations working to protect the environment and improve the livelihoods of local communities. Whether it is bathing elephants at a conservation center in Myanmar, or enjoying a farm-fresh meal at a family-owned organic farm in Costa Rica, our guests form meaningful connections with the people and places they visit.

GOING LOCAL
Whenever possible, we use small, locally operated hotels that have sound environmental practices; groups dine at restaurants that feature fresh and authentic regional cuisine; we choose partners that strive for the highest standard of responsible practices; and we employ local guides and support local economies.

CONSERVING WILD PLACES
On many of our trips, we explore stunning natural landscapes where conservation is of the utmost importance. As visitors, we not only tread lightly, but actively contribute to the conservation of parks and protected areas.

LOOKING FOR INSPIRATION?
Here are just a few examples - one more involved, and one quite simple - of how our travelers give back to the places they have explored with us:

• The Botswana School Project was created in 2012 by Boundless Journeys guests who saw that there was a need for books, supplies, and computers in schools they visited in northern Botswana.
• A Bhutan guest donated baby outfits to families she met on mountain trails and in rural communities and schools.
• Two sisters who traveled to Peru donated school supply kits to a local school we visit on our Sacred Valley & Machu Picchu tour.
