How we deliver

THE WORLD'S GREAT ADVENTURES

A passion for travel. Simply put, we love to travel, and that infectious spirit is woven into every one of our journeys. Our staff travels the globe searching out hidden-gem inns and lodges, taste testing bistros, trattorias, and noodle stalls, and discovering the trails and plying the waterways of each remarkable destination. When we come home, we separate wheat from chaff, creating memorable adventures that will connect you with the very best qualities of each destination.

Unique, award-winning itineraries. Our flexible, hand-crafted journeys have received accolades from the world's most revered travel publications. Beginning from our appreciation for the world's most breathtaking and interesting destinations, we infuse our journeys with the elements of adventure and exploration that stimulate our souls and enliven our minds. Whether you are looking for a challenging physical expedition or a leisurely cultural exploration, Boundless Journeys has exceptional itineraries to match your sense of adventure.

Insider connections. There is simply no substitute for traveling with a knowledgeable insider, and our expert local guides will open doors for you that other travelers miss, like dinner with their extended family in Peru's Sacred Valley, or meeting an art scholar in Florence. Relationships developed over many years allow you to experience our destinations through a well-connected friend.

Small groups. Although the camaraderie of a group of like-minded travelers often enhances the journey, there can be too much of a good thing! We tread softly, and our average group size is just 8–10 guests, allowing us access to opportunities that would be unthinkable with a larger group.

Flexibility to suit your travel style. We offer both scheduled, small-group departures and custom journeys so that you can choose which works best for you. Not finding exactly what you are looking for? Let us customize a journey to fulfill your travel dreams.

Customer service that goes the extra mile. Having trouble finding flights that work for you? Want to surprise your traveling companion with a bottle of champagne at a tented camp in the Serengeti to celebrate an important milestone? There is no request that is too big—or too small—for our staff to handle. From your first call, we guide you through choosing your trip, provide advice on preparing for your adventure, and hold your hand until you return home.

Multi-year recipient of *Travel + Leisure* magazine's "**World's Best Tour Operator**"; and recognized by the editors of *National Geographic ADVENTURE* magazine as one of the **Best Adventure Travel Companies on Earth**.

DAY 2: Optional Activities at Haatiban

Accommodation: Haatiban Resort, Dakshinkali

DAY 3: Sightseeing in Kathmandu

Activity Overview: Cultural touring

Activity Level: Easy

Activity Length: 4-6 hours

This morning after breakfast you will bid farewell to the peace and tranquility of your mountain lodge and set off on a cultural discovery of the important religious and cultural sights in and around Kathmandu. You begin at Pashupatinath Temple, the oldest Hindu temple in Kathmandu and one of the most sacred in all of Nepal. Located on both banks of the Bagmati River on the eastern outskirts of Kathmandu, Pashupatinath is dedicated to the Hindu god Shiva. Pashupatinath is the site of many religious festivals throughout the year where devotees come to worship. Pashupatinath is also the site of traditional, open-air cremations.

You then continue on to Boudhanath Stupa, often referred to as the "Great Stupa" because it is a largest Buddhist stupa in Nepal. This stupa possesses the classic "Buddha Eyes" or "Wisdom Eyes" commonly painted on most Nepali stupas. These eyes symbolize the omniscience of the Buddha.

After lunch you will drive a bit outside of the city to visit Bhaktapur, known as the 'City of Devotees', a UNESCO World Heritage Site. Its monuments reflect the glory days of the Malla Dynasty when art and architecture thrived in the three cities of the valley. Famous for its pottery and woodcarving, this ancient city has managed to retain its brick paved roads, charming red brick houses and a way of life that goes back to medieval times.

A BOUNDLESS MOMENT IN NEPAL:

We arrive in Bhakatapur, and are immediately in awe of the unique, beautiful architecture. Orange bricks buildings are complemented by elaborately designed, intricate carvings in rich, dark wood. Our attention, however, quickly turns to the activity around us. Local potters work clay nearby, spinning their pieces on the ground, using the same traditional methods as their ancestors. It was magical to watch—the opposite of the fast-pace and instant gratification of everyday modern life. Here, there was pleasure in the process, and a relaxed patience inspiring to observe.

This evening you dine at a local restaurant where guests are not only introduced to authentic Nepali & Newari style cuisine, but where one can also enjoy traditional Nepali live music and dance. You will hear Nepali folk songs and witness dances showcasing Nepal's various ethnic groups including Newari, Maithili, and Tharu.

Accommodation: Dwarika's, Kathmandu

Meals: B, L, D

DAY 4: Departure from Kathmandu

Meals: B

MOUNT EVEREST FLIGHT

The flight lasts approximately one hour, and the cost is \$250 per person. The mountain flight may be scheduled on the morning of the last day before your departing international flight, if time allows. International departure flights should be scheduled no earlier than 2:00 p.m. to allow enough time for the mountain flight.

WHAT TO EXPECT

TRIP RATING

Boundless Journeys' trips are designed for energetic and flexible individuals who like to be active and have a spirit of adventure and a positive attitude. Kathmandu Cultural Exploration is rated 1+, easy, on a scale of 1-5 (with 5 being the most strenuous). The sightseeing walks on this trip are day walks with some vehicle support. Much of the walking on this tour will be on flat terrain, while sightseeing, 4-6 hours per day, broken up by rest and meals.

PREPARING FOR THIS TRIP

It is very important that you realistically assess your physical condition with regard to the demands of this trip. The more well-prepared you are for the activities, the more you will enjoy yourself. As a general guideline, we suggest that you engage in easy to moderate aerobic activities (such as walking, hiking, jogging, or cycling) for at least 30-45 minutes several times a week for 4-6 weeks before the trip. If you live in a flat area, try to incorporate some stairs into your workout, or use a treadmill with varying incline capability (consult your doctor before undertaking any new fitness program). Please contact us if you have any doubts regarding your physical match with this tour.

WEATHER

Temperatures in Nepal tend to be cool in the mornings and evenings, but heat-up at midday. Nepal has pronounced rainy and dry seasons. The dry season lasts from October through May. The driest weather and clearest skies are typically in October and November during the harvest season. During March through May, beautiful flowers are in bloom and it is the planting and ploughing time of year. The months of December through February are clear and cool (and can be below freezing at night in the mountains); it is the

shoulder season, so you will encounter fewer visitors. June through August is the monsoon season and it is generally not recommended to travel to Nepal at this time of year. See the chart below for monthly average temperatures.

AVERAGE TEMPERATURE °F (HIGH/LOW)

	MAR	APR	OCT	NOV
Kathmandu	70/50	77/57	74/59	68/49

You may obtain more detailed weather information on www.weatherbase.com

TRAVELER'S RESPONSIBILITY

Trip participants have certain responsibilities to both Boundless Journeys and your fellow travelers. This includes understanding the conditions described in the trip itinerary and making sure it is appropriate for your interests and abilities, based on a review of the trip ratings, consultation with Boundless Journeys' staff, and perhaps your doctor. In addition, trip participants are responsible for preparing for a trip by undertaking the proper fitness training. At the guide's discretion, a participant may be asked to leave the trip if the guide feels that the person's further participation may be detrimental to the individual or to other trip participants. If you have any questions about the difficulty level of the trip you have chosen, please contact Boundless Journeys to speak with one of our Destination Managers.

FOOD & WATER

The general rule for food when traveling to developing countries is "wash it, cook it, peel it, or forget it." The well-run hotels where we stay and the restaurants where we eat prepare foods in a sanitary manner, using distilled water to

wash vegetables, and iodine to kill any bacteria. You should drink bottled water, and avoid ice cubes and frozen drinks if you are unsure of the water used for making the ice. Bottled water is provided by hotels for use when brushing your teeth.

DRINKING WATER

We provide purified or bottled water on all trips; however, in an effort to reduce waste, we strongly encourage you to bring a water bottle to refill where it is safe to do so. This will be the case in much of Europe, as well as a few other destinations, where tap water is safe to drink (please review Immunizations & Health Concerns for more information). In parts of the world where water must be purified, bottled water may be our only option. Here, we do our best to provide purified water from larger containers to refill your bottles, rather than using many small single-use bottles throughout your trip. This is just one small way we strive to travel more responsibly and we appreciate your efforts in helping us to protect the extraordinary places we visit.

Boundless Journeys has taken the Travelers Against Plastic company pledge to promote sustainable travel and encourage travelers to avoid buying bottled water when they travel. You can take the pledge, too, and learn more about TAP's efforts at www.travelersagainstplastic.org.

CUISINE

Nepalese cuisine is not well-known in the rest of the world. While the food in Nepal is plentiful, healthy, and flavorful, it is not the reason anyone should plan a trip to this country. Kathmandu has a surprising variety of restaurants serving many types of international cuisine. Remember that Nepal is a relaxed culture and service is usually much slower

than Westerners are used to. Outside of the cities, the food is primarily a combination of Nepalese (which has a large Indian influence) and Tibetan. Rice, lentils, and vegetables are staples, with a variety of meats, which are used somewhat sparingly. Tasty soups, fried breads, and steamed dumplings filled with meat or vegetables are among the local favorites. The national drink is sweet tea brewed with milk.

Please inform us of any specific dietary restrictions by completing your guest forms and we will do our best to accommodate you. Please call our office with any questions or concerns about our ability to meet your needs.

TRANSPORTATION

All on-tour transportation is provided in private, air-conditioned, passenger vans.

You will be informed of the guide for your trip one month prior to your departure.

BOUNDLESS BEYOND

RESPONSIBLE TRAVEL

At Boundless Journeys, our goal is to create meaningful experiences that protect the delicate ecosystems and attributes of every location we visit. We aim to educate our guests on the best responsible travel practices for each destination.

WE ARE COMMITTED TO

Making connections. Our local guides offer insider knowledge of their country, including tips on etiquette and customs. They facilitate meaningful interactions with the people and places we visit, such as dinner at the home of a local family. While you may arrive in a destination as a visitor, you leave with a deeper understanding and connection to each place.

Going local. Boundless Journeys' small group size stems from a desire to provide a more intimate traveler experience, giving us the freedom to move through the tight alleys of old towns on foot, eat and sleep at traditional guesthouses, participate in immersive cultural exchanges, and leave a smaller footprint on all of the locales we visit. This mobility allows us to support local economies directly, forging strong relationships with our partners and friends abroad as we return year after year.

Respecting people and the environment. We support organizations working to protect ecosystems and improve the livelihoods of local communities. On many of our trips, we explore stunning natural landscapes where conservation is of the utmost importance. As visitors, we practice Leave No Trace ethics and actively contribute to the conservation of parks and protected areas.

HOW YOU CAN HELP

Give back. Instead of receiving a Boundless Journeys t-shirt or water bottle, you can opt to donate the value of your gift to our travel scholarship fund, which will be awarded to a local student for an educational or service-based travel opportunity.

Learn more. Visit boundlessjourneys.com/responsible-travel to read more about how our values are reflected in our trip offerings. We also offer a selection of Resources for the Responsible Traveler, which suggests ways to tread lightly and ensure your journey has a positive impact.

Join us. Boundless Journeys has taken the Travelers Against Plastic company pledge to promote sustainable travel and encourage travelers to avoid buying bottled water when they travel. You can take the pledge at travelersagainstoplastic.org.

CONSERVATION IN ACTION

Boundless Journeys is a proud member of the Adventure Travel and Trade Association, a global network of adventure seekers who believe in the protection and promotion of local communities and wilderness areas.
